Australian Mathematics Competition

The Australian Mathematics competition will be held on Thursday, 1st August 2019
All entries to the competition need to be submitted by the end of term 1.

The competition is divided into three categories:

- Junior - Years 7 and 8
- Intermediate – Years 9 and 10
- Senior – Years 11 and 12

All questions are multiple choice, calculators are not be used, and questions are based on general mathematical skills and problem solving. Every candidate will receive a Certificate of Participation and an individual listing of their performance. High Distinction, Distinction, Credit and other certificates are awarded for excellent performance in each category.

This year Erskine Park High School would like more students to enter the Australian Mathematics Competition as it is an invaluable experience, helping better prepare students for examinations such as the NAPLAN and the Higher School Certificate.

The cost of the competition is \$6.00 and can be paid at the front office by Thursday 11th of April 2019. Please encourage your child to participate.
