Issue 5

6 June 2017

PRINCIPAL'S REPORT

Directors Visit

Since our last newsletter, Ms Deb Summerhayes, Director Public Schools has visited Erskine Park High School. She had the opportunity to speak to many students during her visits to classrooms and was most impressed by the level of student engagement and learning through our very successful BYOD program. She also visited each of the classes in the support unit and was most impressed with the learning in all these classes.

STEPS Learning Community

Our students are very fortunate to be part of the STEPs learning community. The work of the dedicated teachers from our local primary and high schools provide many shared opportunities for learning. In the planning phase at the moment is the TOPSTEPS program for students to extend their knowledge and skills in an area beyond the curriculum, debating workshops, the annual book forum, this year hosted by Erskine Park High School, and our annual showcase of student performance. The STEPS concert will again be held at the Evans Theatre, Penrith, on Thursday 27 July. Tickets will be available from Monday 26 June at a cost of \$20.

Rotary Dinner

Congratulations to our school captains, Brodie Rushby and Ellie Carter who gave a short presentation to Rotary Club of St Marys at a recent Rotary Meeting. We are fortunate to have an excellent partnership with Rotary, specifically through our Year 9 Public Speaking competition, and Brodie and Ellie were able to share with Rotarians the many other outstanding features of our school.

Staff Farewell

Congratulations to Ms Naomi Andrews who has moved to Glenmore Park High School in the role of Head Teacher English. Ms Andrews is an outstanding teacher and has successfully led our literacy programs over the last few years. We wish her all the best in her new position.

Mrs Sandra Blazek has also recently retired from the Department of Education. She has worked as a part time learning support officer for many years and during this time has supported many students with their learning. We wish her all the best for retirement.

Ms Leiza Lewis
Principal

Dates to Remember - Term 2 2017

Term 2 Week 7-9

5-23 June	Smiles Onsite - Mobile Dentist
5 June	Year 11 & 12 Vaccinations
8 June	Year 7 GAT Coding Workshop Year 11 PDHPE & SLR First Aid Course
9 June	Year 7 GAT Coding Workshop
12 June	Public Holiday
19 June	Senior Recognition Assembly
21 June	Year 7 Parent/Teacher Night 4pm Year 8 Graffiti Presentation Periods 1-2

DEPUTY PRINCIPAL'S REPORT

As the days get shorter heading into winter it seems that the weeks are racing past. It seems as though the term was just getting started and with a snap it is week six. It has been a very positive term with lots of important and valuable events taking place, as well as students gaining access to improved equipment, resources and learning environments.

Parent Information Sessions

Each month the school is running information sessions for parents about a particular area of interest. These sessions are being run in line with the P&C meetings and usually run between 5.00pm and 6.30pm. This month the school invited Elevate Education to present on supporting students with studying and time management. It was a very productive session filled with valuable information for parents to support their students.

Next month on 26 June our parent information session will be about cyber safety for students and the electronic footprint they leave. It will be delivered by a Police Officer who has kindly donated their time to the school for this important message. Please keep an eye out for the emailed invitation for this session for when to RSVP. It will be a popular session due to the nature of the content and I am sure many parents will be keen to be in attendance.

Reports and Parent/Teacher Nights

This term our staff are writing half yearly reports for our students. These reports will be available on the parent/teacher nights for each year group for collection. Parents may book interviews with their child's teachers using the parent portal on the [school website](#).

Each year group has a specific night allocated for parent/teacher night. Please see the school calendar or the school website for details of when each night is being run.

Lockers

Our lockers are currently being well used throughout the school. Our students have capitalised on the opportunity to access this valuable resource. There are still some lockers available for hire, so please contact the office to organise access to a locker if needed.

Students and parents are reminded to review the policy and application form which may be accessed on the [website](#). It is important that students have a clear understanding of their rights

and responsibilities in this regard.

Students are encouraged to make full use of the resource to minimise the amount of equipment that they need to carry around the school, and to secure any important items.

Oval Renovations

This week has seen the opening of the new section of our oval for students to access. The renovations are part of an ongoing commitment to our students and parents to continually improve the quality of the resources and learning areas of our school. As ever, our goal is improving student learning outcomes and this renovation provides areas which will be used to improve student access to playing fields and open areas in sport, PDHPE and breaks.

This renovation has seen the placement of a garden bed along the path, a sandstone amphitheatre of sorts for students to sit in breaks or to watch sporting events at the school, and an additional 3800 square metres of turfed area previously unavailable to students. This turfed area includes a levelled playing field of 30 x 40 metres which will be used to supplement the larger oval playing surface.

It is an exciting time for the school in accessing this new resource. I have received some very positive feedback about the area and I am looking forward to students having increased areas for both PE and for their break times.

Classroom Renovations

As with our oval renovation, we have targeted continual improvements to the classrooms and learning environments. This year we have utilised our allocated scheduled maintenance from the Department of Education to upgrade and renovate the demountable classrooms. The demountable classrooms have been repainted on the outside and in several rooms the interior has also been painted. There have been some minor structural repairs in some of the demountables also, which has ensured a pleasant learning environment for our students. Our agenda to renovate the learning spaces continues with plans into the future to continually renovate and renew classrooms to maintain high quality learning environments for our students.

Winter uniform

Congratulations to the students this term for maintaining our high standards for uniform. I have been in many meetings with parents, prospective enrolments and community members where the high standards of our uniform have been noted.

We are moving into the cooler months of Term 2. It is traditionally a time where uniform can slip in the absence of the correct pants and jumpers. It is a good time for students and parents to check the wardrobe to see if the winter uniform is still the right size and in good condition.

There will always be circumstances where items of uniform may be unavailable due to weather or circumstances. We encourage students and parents to simply bring a note from home to one of the Deputy Principals, where they can collect a blue note for the period noted.

Our uniform shop is open 8.00am-4.00pm Tuesdays and on Fridays from 12.00pm till 4.00pm. They have a large range of stock on hand to cater for your needs as we start to shift to winter uniform.

I encourage all students to continue maintaining the high standards and continue to engage with the merit system of the school. Our motto of Pride in Achievement is fundamental to what we are about and I encourage all students to embody this motto in all that they do. I hope the rest of the term is productive and successful for our students and community.

Mr Nathaniel Doidge
Deputy Principal

WELLBEING REPORT

Welcome to Term 2. Term 2 has already been a busy term, and we are only 6 weeks in!

Vaccinations

Year 11 and 12 had their Meningococcal vaccinations on Monday 5th June.

Merit Awards

It would be great to see a larger number of students earning awards and getting the recognition they deserve. Remember that when students earn 5 teacher's awards they take these awards to their **Assistant Year Adviser**. There is a recognition assembly at the end of Term 2.

Links to Learning

Throughout the rest of the year, some selected male students from Year 7 to 10 will have the opportunity of attending Links to Learning Men's Shed here at school. Students attend the Links to Learning program one day a week as an alternative to attending school. While still developing reading, writing and numeracy skills students also gain a broad range of valuable skills in areas such as communication, teamwork, problem solving, planning and organising, health, self management and self confidence as well as working on a practical project that the group will decide on in time.

Year 7 Camp

Last term saw Year 7 attend camp. The students all participated in a number of activities that required them to work as a team and face challenges together. The students enjoyed the experience and it is hoped that the friendships and skills developed will continue to carry through their schooling. Thank you to the Year 10 peer support students who attended the camp and supported the Year 7 students so positively. A big thank you to the staff that attended and got involved in the activities.

Year 11 Crossroads Camp

This term in week 2, students in Year 11 attended their crossroad camp at The Great Aussie Bush Camp (Tea Gardens). The students who attended had a wonderful time engaging in physical challenges especially the High Ropes Team challenge. They engaged in crossroad sessions on relationships, the effects of drugs and alcohol. Students who did not attend the camp completed the crossroads course at school.

Mrs Tegan Misdorn

ENGLISH REPORT

Welcome to Term 2, 2017. There are a lot of exciting things happening in English! We would like to welcome Miss Ingram and Miss Healy to the English faculty, and wish Miss Andrews all the best in her new role.

What are we studying in Term 2?

Year 7

Year 7 have spent the term reading and analysing a novel, focusing on representation. Within this unit, they look specifically at features of a novel and language features that enhance the overall meaning of their text.

Year 8

Each class in Year 8 have been delving into the worlds of different novels. From 1950s China, to Australia, to a futuristic world, students have been considering the experiences of others in unique contexts. They will be taking a closer look at different points of view presented in novels and evaluating their impact on the ideas of the novel.

Year 9

This term, Year 9 have explored a range of texts with alternate perspectives in their unit, Adventures in Asia. This unit focuses on improving students written expression, as well as developing public speaking skills, which will lead directly to their assessment task in week 9.

Year 10

A significant amount of information and ideas that we gain today is through visual texts and means. The Visual Literacy unit will take students through a critical and analytical journey of various picture books. In this unit, Year 10 students will be gaining essential skills in interpreting and understanding ideas and messages from visual texts.

Assessment Reminders

All junior students are reminded that they will be assessed on their current unit of work prior to the end of term. They are encouraged to engage in regular revision and to continue applying themselves with diligence.

Years 11 and 12 will be receiving assessment notifications in the coming weeks. It is important that our seniors are revising and writing draft responses to submit to their English teacher to receive personalised feedback. All senior students are reminded that they will be assessed on each unit covered in their HSC English course, so

please ensure that previous content is covered during revision.

Technology and BYOD

The English faculty are continuing to embrace BYOD for Years 7-12 by utilising websites to enhance students engagement. Many English classes have a Google Classroom that enables students working on their laptops immediate access to work. This is also used as a platform for students and teachers to discuss content outside of class time. We encourage all students to bring their device to each lesson, ensuring that they are fully charged and have the necessary programs to complete their work effectively, which can be downloaded from the Student Portal.

Debating

Well done to the Debating Team on collaborating and preparing fantastic debates over the past couple of weeks, against our own school teams and also against the team from Colo High School. Congratulations to the Stage 5 Team B on your win. All the teams, under the guidance of Ms Crowshaw, have undertaken diligent training, research, and preparation processes. We wish you all the very best for your upcoming debates!

The following students are to be commended on their efforts and commitment.

Mrs Kelly Hodkinson
Head Teacher English

If you have school jumpers/fleece jumpers with the school crest and no longer need them the school will be happy to take them.

CAPA REPORT

Term 2 signifies a busy time of year for the Creative and Performing Arts Faculty with senior students working towards completing their major works and performances and partaking in a range of tuition and performance opportunities.

Art Express Excursion 2017

Year 12 and 11 Visual Arts students attended the Art Express Exhibition at both the Art Gallery of NSW and the Armory Gallery at Sydney Olympic Park. Students received a glimpse of some of the top HSC artworks in NSW from 2016. This was a fantastic opportunity for our senior students to experience the high standard of work produced by fellow students and an insight to the amount of work required to complete a successful and strong Body of Work.

Erskine Park High School (EPHS) and James Erskine Public School (JEPS) Picture Book Collaboration

During Term 1 the Year 10 Visual Design class was involved in a picture book collaboration workshop with Year 6 JEPS students. The workshop was a working meeting where the two groups discussed ideas and concepts for their picture book. JEPS students wrote a story which our students helped bring to life through illustration. The book will be published later in the year.

HSC Visual Arts and Music

Term 2 highlights the ever escalating pressure and efforts by our senior HSC Visual Arts and Music students, who have undertaken our courses to be

in the advanced stages of developing, refining and working towards successful submissions for the HSC. Senior students are encouraged to take up the many opportunities provided by the staff to complete their Body of Work or rehearse after school, in free periods, lunchtimes or weekends. This term signifies the encroaching deadlines for the submission of work by both Visual Arts and Music students. Parents if you have children undertaking these practical courses, please encourage them to keep on track and check on how they are going. This will help ensure success and hopefully avoid any disappointment later in the year.

Music News

It has been a busy period for our Concert Band students as they have provided musical support for ANZAC Day Services both here at the school and within the local community. The band played in the school holidays at the St Marys RSL ANZAC Day commemorations and this also included a 4.30am start for the dawn service on the 25 April. The band provided musical support in the form of hymns within the services, wreath laying and entertainment music for audiences before and after the service. Jasmine Tiatia was invited to perform the Last Post and Reveille at ANZAC Day service in front of several thousand people.

Seniors Week Performances

Students from the Erskine Park High School Concert Band entertained our local Senior Citizens at the annual Seniors Week event held at Erskine Park Community Centre. This is an annual event and we are proud to lend our support to the day. The senior citizens of the community were dazzled by the skills of the Erskine Park performers.

Arts in Action Music Camp

A number of students from EPHS bands are heavily involved in the Western Sydney State Schools Concert Band. This recently saw Jacob Tiatia, Brendan Carny and Victoria Harry attend a four day camp at the Merroo Conference Centre, Kurrajong. Any students wishing to get involved in regional and state music activities should see the Music staff to register their interest for upcoming events.

Training Band

If you are interested in learning how to play a wind, brass or percussion instrument, why don't you come along and join the school's Training Band. This is a great opportunity to learn new skills or enhance existing ones in a band environment. The band rehearses every Tuesday

afternoon from 2.40pm to 3.30pm in Music Room 1. If you want more information, please see Mr Dallas or Mr Mayes for more details.

Mr Gennaro Serra
Head Teacher Creative and Performing Arts

SUPPORT REPORT

Term 2 has started positively with strong participation at the Athletics Carnival. Students enjoyed the day and performed well in all events. We have had students represent at the zone cross country, congratulations to those students.

Our Term 2 topics are as follows:
English – Reading for Pleasure including Dreamtime Stories

Maths – Money
HSIE – Aboriginal Culture and Colonisation
Science – Earth's Resources
PDHPE – My Health

Students from Chisholm have attended an excursion to play foot golf with Mr Brenner. They had a fun day and learnt some new sports skills.

Students from Flinders and Chisholm attended an excursion to Penrith library. This was to enhance in class learning for English. Students were well behaved and enjoyed the day out with their peers.

Students in Years 7-9 are participating in the Premiers Reading Challenge.

Students in Flinders are preparing to visit the school farm once a fortnight for an Agriculture lesson. Please be reminded to send back permission notes.

Work Experience continues on Tuesdays for students in Years 10-12. Some students are undertaking extra days as it fits into their Individual Learning and Transition Plan. Finding suitable work placements venues takes a lot of time and calls. If you know anyone or any workplace who could take a student one day per week please contact me, Mrs Brown on 9834 3536.

Reminders:

- Students need to come to school with adequate food for recess and lunch and having had a nutritional breakfast.
- Students need to bring their own equipment for all lessons. This includes basics such as pens, pencils, rulers, glue as well as PE clothes and shoes and requirements for practical lessons such as aprons.
- Students need to come to school with a positive attitude towards their learning.
- If students have a cold and come to school, please supply tissues.
- No spray cans or perfumes are to be brought to school (this is causing issues for students/staff with asthma).
- Year 7 Parent/Teacher night 21 June.
- Year 10 and 11 Parent/Teacher night 28 June.
- Year 8 and 9 Parent/Teacher night 19 July.

Bookings for this term can now be made through the Parent Portal. As teachers we look forward to meeting with you on these nights.

Mrs Nan Brown
Head Teacher Support

YEAR 9 REPORT

During the first term Year 9 participated in the first Wellbeing Day for the year. Students attended the "Back Off Seminar", Mental Health, Drug Impact lessons and a team building activity.

Athletics' Carnival

On 16 May, Year 9 joined in the annual school Athletics' Carnival. Students participated in running, shot put, discus, long jump and novelty events. A great day was had by all and we look forward to learning who the boy's and girl's age champion is.

Teacher's Awards

Continue to bring all Teacher's Awards you may have sitting in your pencil case or at home to gain Bronze, Silver and Gold Awards. This term there will be a Junior Recognition Assembly and we would like to see lots of Year 9 students having their hard work recognised. These look great in a future resume. Bring them to Miss Neubronner in the HSIE staffroom.

Mr Brent Parkhill and Miss Chelsea Neubronner
Year Adviser and Assistant Year Adviser

YEAR 10 REPORT

Welcome to Term 2. This is a busy term with many assessment tasks and upcoming half yearly examinations. Make sure you keep on top of your workload with the use of a diary and effective time management techniques. Stay motivated and keep a healthy balance. This is your last year before senior school.

Teacher's Awards

In week 9 of this term we will be having our first presentation assembly of the year. Please round up any Teacher's Awards you have at home and bring them to Mrs Romero in the Teaching and Learning Centre to make sure you are eligible to receive your well-deserved Silver, Gold or Diamond awards. Don't forget to keep working hard to receive more in class.

Athletics Carnival

The term has started with a bang at the annual athletics carnival on 16 May. Year 10 students competed with pride and showed fantastic sportsmanship skills.

2017 Careers Market

On Thursday 25 May Mrs Romero took over 100 Year 10 students to the careers market at Cambridge Park. Students were able to engage with various University, College and TAFE displays. The day was certainly beneficial as students had the opportunity to take samples of the brochures and talk to teachers, academics and other staff there on the day. Year 10, of course, are to be commended on their remarkable behaviour on the day. They did Erskine Park High School proud.

Year 10 BYOD

The latest statistics of our BYOD program show that 91% our Year 10 students have laptops to complement their learning in the classroom. Please ensure these are brought to school every day charged and ready to learn.

A reminder that lockers are available for a yearly hire fee of \$20, payable at the front office.

Upcoming Dates for Your Diary:

- 19 June – Senior Recognition Assembly
- 28 June – Year 10/11 Parent/Teacher Night
- 28 July – Year 10 Options Day

Mrs Sarah Bale and Mrs Amber Romero
Year Adviser and Assistant Year Adviser

Department of Education (DoE) Site. Remember that it does not need to be completed until 25 August so you have ample time to enjoy reading books that are on the PRC or are choice books. The Homework Centre is operating on Tuesdays and if students wish to attend on Wednesday please notify me.

Students have started to prepare for the Book Forum which Erskine Park High School is hosting in Term 3 on 15 August. Students will be analysing the six short listed picture books from Children’s Book Council of Australia and preparing a book trailer.

Students are reminded that if they have overdue books then they need to renew them online or Library staff are able to renew the resources, otherwise please return books as there may be other students who wish to borrow them. Please see me to get a list of the new books added to our resources. I have used the Children’s Book Council of Australia to select books in the “Older Reader” category as well as some shortlisted books from the Stella Shortlist. Some of these books will be suitable for senior students and staff.

LIBRARY REPORT

Students are reminded to login to the Premier’s Reading Challenge (PRC) on Google or

**ST MARYS RSL SUB-BRANCH
COLIN SHEPHERD OAM MEMORIAL
SCHOOL SCHOLARSHIP PROGRAM**

2017 Topics

- Discuss with your parents/family to identify a **family link to an Australian soldier** then research that person's life. Your research should cover his/her pre-service life, service training, overseas service, post-service life and issues (good and bad). Present your research and **your views** about his/her involvement, in a way that best illustrates his/her commitment to Australia's part in the war effort.
- **Author a poem or design a visual display** that best reflects **your thoughts/feelings** about those in the Australian Defence Force who gave their lives so that all current and future Australians can live in the freedom, peace and harmony that we enjoy in this Nation today. The work should focus on the 1917-era of Australia's participation in the First World War – **in particular, the Third Passendale battle (October)** and must include an addendum to illustrate **what caused you to choose this topic and what were the ideas that your poem/display is trying to display**. The poem or display may be considered for inclusion in the Remembrance Day Service at St Marys RSL Club on Saturday 11 November 2017.
- **"The fall of Singapore to the Japanese Army on 15 February 1942 is considered one of the greatest defeats in the history of the British Army and probably Britain's worst defeat in World War Two. The fall of Singapore in 1942 clearly illustrated the way Japan was to fight in the Far East"** How was it that 65,000 Japanese troops were able to overcome 90,000 British, Indian and Australian troops so easily? Discuss the fall of Singapore, its aftermath and the treatment of POWs by the Japanese. Include **your views** about situations where basic human needs and ethics were abandoned.
- On 19 February 1942 (75 years ago), **Darwin** was bombed for the first time. Detail the events that followed in relation to attacks on Australia's mainland in the ensuing years. Imagine yourself in Darwin through 1942 at about age 18 (while Darwin is under attack and Australia's security under direct threat) – **how might you think and react** to that situation?
- Conduct research into the broad range of **animals** that have been used by Australians in any conflict since the Boer War. What uses were they put to? How effective were they? Detail at least two such instances. What are

your feelings about the ethical use of animals in warfare?

- In recent years Australia has been involved in a number of conflicts including **Iraq and Afghanistan**. Choose one, then research to determine if Australia's involvement was valued by our Coalition Forces. Was our military involvement accepted and supported by Australians generally? **Why do you support (or NOT support)** your research outcomes.

**2017 COLIN SHEPHERD OAM MEMORIAL
SCHOLARSHIP**

Frequently asked questions:

- **What is a scholarship?** A payment awarded to a student that is to be used for learning and education.
- **Who can get the "Col Shepherd Scholarship"?** Any 2017 Year 10 student who is going to go onto Years 11 and 12 or TAFE.
- **What can I spend my scholarship money on?** The scholarship money can only be spent on things that are education and school related. Past scholarship winners have used the scholarship for buying a laptop. Some students have used it for paying for a PDHPE excursion to the Jindabyne ski fields. Other school expenses (fees, uniform, textbooks and software) have been paid for with the scholarship fund.
- **What do I do to apply for this scholarship?** Attempt **one** of the tasks listed on the back of this page, submit it by the due date, and you are in the contest for winning the scholarship.
- **Am I competing with kids from around the state?** No. There are **three** "Col Shepherd" scholarships on offer for three EPHS Year 10 students in 2017.
- **Is this a "thing" that only "smart" kids can win?** No. Not all Year 10 students will enter. If only three students enter, then they will get the scholarship.
- **How much money can I win?** The maximum amount is \$2500. The minimum is \$500.

**DUE DATE:
MONDAY 4 SEPTEMBER**
