Issue 10

2 November 2018

## PRINCIPAL'S REPORT

### Farewell Year 12, Class of 2018

At the end of Term 3 we farewelled our graduating class of 2018. This is always a highlight of the school year, shared with many proud family members and teachers. HSC exams are well underway and I am very proud of the way students have applied themselves in their final exams. We look forward to our final celebrations with Year 12 at their formal on Thursday 15th November at Twin Creeks Golf and Country Club followed by a barbecue at the school on the morning the HSC results are released, on Thursday 13th December.

### Premier's Anzac Memorial Scholarship

This is very exciting news for our school, since we are one of only twenty schools across the state who have been selected to participate in this program. The scholarship will fund a study tour, in which one of our students, will travel to Germany, France and Belgium during September and October 2019 to visit the battlefields of the First and Second World Wars. To be eligible students must turn 16 by the 27th September, be in Year 10 or 11 next year and studying History. Students will submit a piece of work which will be presented to a panel in an interview setting. Interested students should see Mr Kelly in the HSIE staffroom.

## Dates to remember - Term 4 2018

### Term 4 Week 4 - Week 7

5-6 Nov	Year 12 clearance day
7 Nov	Year 11 excursion WSU Parramatta
8-9 Nov	Bronze Duke of Edinburgh Glenbrook National Park
13 Nov	Additional transition Yr 6 to 7 session 1
14 Nov	Year 8 Resilience seminar (Fusion)
15 Nov	Year 12 formal Twin Creeks
	Year 9 English incursion - Poetry and multicultural texts
16 Nov	Year 7 and 8 AIME University visit
	U15's knockout netball - Hawkesbury indoor stadium
19-30 Nov	Smiles on site - Mobile dentist
20 Nov	Additional transition Yr 6 to 7 session 2
	Year 11 Hospitality excursion Sydney tower
21-23 Nov	GAT camp
21 Nov	Year 12 Economics excursion - Reserve Bank Australia
22 Nov	Year 10 clearance day
23 Nov	Year 11 Agriculture excursion Leppington

<b>26-30 Nov</b>	Year 10 work experience
<b>26 Nov</b>	P&C meeting
<b>27 Nov</b>	Additional transition Yr 6 to 7 session 3
<b>29 Nov</b>	Year 9 Pass excursion - Cables Wake Park

### Outstanding SRC initiatives

Congratulations to our students, who under the leadership of the SRC, make genuine and generous contributions to local charities. This week the students organised a very successful mufti day with a Halloween theme.

Also this term students have organised to collect packets of jelly and lollies for the Christ Mission charity to go towards food hampers and donations of toys and money for the Christmas Wish Appeal. All donations can be left at the front office.

### Careers Advice

Unfortunately our careers adviser, Mr Griffiths, is on long term leave, possibly for the remainder of the year. During this time Mr Harvey will be coordinating the Year 10 work experience program, which is scheduled for 26th November to 7th December. Students have received information during a year meeting and additional support can be provided by Mr Harvey in the Maths staffroom.

Mrs Waddell and I will be looking after TAFE courses, while the Deputy Principal's will support students with subject choices and career advice.

### SALSA

Congratulations to our SALSA (Students as Lifestyle Activists) on their presentation to local community members about how they can lead and support promoting healthier lifestyles within our community. Snippets of the student's pitch and an overview of the program featured on the channel seven news on Sunday 28th October.

### Partnership with Dare Disability

Students in our Support Unit will learn valuable work skills through our new partnership with Dare

Disabilities. Each month the employees and some of our students will work under the guidance of professionals on landscaping projects within the school. This week new trees will be planted around the main staff carpark with additional mulching and landscaping put in place to beautify the area. Thank you to Mr Doidge for negotiating this partnership.

Leiza Lewis  
Principal

### DEPUTY PRINCIPALS REPORT

This term is well underway and already promises to be a busy and exciting time with reports, formals, work experience rewards days and celebrations of success.

#### Year 12

HSC examinations are currently underway and are running very smoothly. Our NESA supervisors have been very complimentary about how our students have conducted themselves and have commended our students on both their preparation and behaviour. In just a few short weeks these students will conclude their examinations and officially complete their high school journey.

We thank these students for their wonderful leadership of our junior students and for being the great role models that they have been. I know that each of their teachers have thoroughly enjoyed working with the students and wish them all the best for their future.

#### Year 11

This term our Year 11 students are beginning their HSC Year and have transitioned into the role of the most senior students in our school. There is a great deal of opportunity available to our senior students as well as a great deal of responsibility. Our junior students are looking to our Year 11 students for

guidance and as role models. I can only congratulate our senior students on their maturity and application and believe they will continue to be excellent role models for our younger students.

Some of our Year 11 students are adjusting their patterns of study to include fewer subjects at the moment. Mr Doidge, Mr Parkhill and Mr Serra have been working closely with these students to ensure that their patterns of study allow them to access an ATAR and/or an HSC. Students are reminded that they are to attend their usual classes until they receive their new timetable.

### Year 10

Our Year 10 students have a busy term ahead as they complete their time as juniors and move into the senior school. Students will soon begin finalising their assessments for the year in class.

In weeks seven and eight, many of our students will head out into work experience. This is an excellent opportunity for our students to experience the work force in their career of choice for a week or two. It is important for students to organise their work experience ahead of time so that they do not miss out on the opportunity. Please see Mr Harvey in the Mathematics faculty for advice and support for work experience.

Year 10 are currently working on completing their All My Own Work course in CLUES lessons. The course teaches students about plagiarism, copyright and the importance of submitted work being the student's own work. This course is a requirement of NESA before commencing the Preliminary HSC courses in Year 11.

This term there are a number of important events for Year 10 including work experience, clearance day, Year 11 enrolment day and of course the formal. Information will be distributed throughout the term to parents and students to provide details about these events.

### Tell Them From Me

I would like to thank all the parents, staff and students who contributed to the Tell Them From Me Survey that was completed at the end of last term and the beginning of this term. This information has and continues to inform the focus for our school planning and identify areas for improvement. We appreciate the honest and insightful feedback provided as it will serve to help us improve our practices to ensure Erskine Park High School continues to be a great school.

### Shade Umbrella

After much effort our shade sail umbrella has been reinstalled in time for summer. The umbrella provides

another much-needed shade area in the playground for students to sit under during breaks and to serve as another study area for our senior students during study periods.

This resource coupled with our air conditioning in every classroom have been put in place to ensure our students can work to the best of their ability throughout what promises to be a hot summer.

### Uniform

Uniform has been at a very high standard with a focus in Term four seeing even further improvement. Parents are reminded that our uniform shop will be open all day Tuesday and from 12pm each Friday. Details about opening times and uniform prices are available on the website.

As parents are making purchases they are reminded of some key attributes of our uniform:

- Shoes are required to be fully black. There should not be a substantial component which is of another colour, or any colour other than black. This includes the sole of the shoe.
- Socks are to be white.
- Tracksuit pants are not a part of the uniform. Trousers, shorts and skirts may be purchased at the uniform shop and meet the requirements of the uniform policy.
- Hooded tops and tights are not to be worn at any time.

I wish all of our families a safe and productive term, and a term filled with celebrating success and taking pride in achievement.

Mr Nathaniel Doidge  
Deputy Principal

## JAMBEROO REWARDS EXCURSION

This year we are rewarding students in Year 7-10 who have had NO negative incidents during semester 2 including, NO out of uniform days and NO negative behaviour incidents in both the classroom and playground, these include phone use and not bringing correct equipment.

We are headed to Jamberoo Action Park. To be included in this fun filled and exciting excursion please keep up the good work, continuing to support our school policies.

## MATHS REPORT

My name is Mr Smith and I have the best job in the world. I am the new Head Teacher of Mathematics at Erskine Park High School. My passion is Mathematics and helping students to understand the subject I love. I look forward to meeting all the wonderful students here at EPHS and working towards my goal of getting everyone to love Maths as much as I do!

### Exams

Being early Term 4 we are all working diligently towards our end of year exams. The best way to prepare for these assessments is to do a little bit each night rather than trying to cram all the content in the night before. Mathematics is a marathon and not a sprint. Collect your notifications, identify the topics that are going to be assessed, and then go into your textbook, exercise book or Maths Space and find some questions that will help you to revise. If you find there are questions you can not do, bring them to your teacher who can help you remember what was covered in class. You can't remember things you've never seen, so practise, practise, practise in order to reach your true potential.

### Equipment

Maths teachers have reported that many students are coming to class with all required equipment to most lessons, which is an excellent start to any lesson. Parents and students are reminded that scientific calculators, exercise books and writing equipment are still essential and expected pieces of equipment in all lessons.

Mr Scott Smith  
Head Teacher, Mathematics

## ADMINISTRATION REPORT

Congratulations to the students listed below who have achieved 100% attendance for Term 3 this year. Some of these students were lucky enough to receive a canteen voucher at assembly of the last day of term. Well Done to all students listed.

### Year 7

Harshitha Anar, Emily Baker, Ashleigh Becroft, Jodie Borg, Alex Bowen, Skye Brough, Aaron Brown, Hannah Caburian, Francis Dagandan, Amber Ebirim, Justin Fidel, Alec Galea, Sophia Garcia, Georgia Heath, Rachael Imad, Janushan Jegatheeswaran, Jessica Kerr, Jaanvi Kumar, Shaylee Layfield, Shirley Lolohea, Jessica Majnaric, Paige Mclvor, Kourtnee McKenzie, David Mikhael, Braeden Miles, Kirk Murillo, Taylah Rigg, Devesh Singh, Kira Solomon, Leeam Somers, Ryan Spark, Andrew Theodoropoulos, Joshua Vella, Jack Weeks, Kimberley Willdern, Kayla Zwaan.

### Year 8

Roni Alokou, Jemma Benson, Geoffrey Connolly, Melanie Duarte Smith, Erin Galang, Tiago Gigi Correia, Luke Greaves, Zachary Heffernan, Jessica Hole, Mustafa Hussein, Aamyia Khosla, Kirstyn Laws, Samantha Lim, Jane Lolohea, Stephanie Marton, Hurairrah Masood, Katherine McCormick, Chloe McDonald, Alexander Myers, Dharm Patel, Vacha Patel, Sameeksha Patro, Gargi Saindane, Charmaine Sharma, Michael Vo, Lani Wolfgram, Gabrielle Woodger, Annalise Woods, Heidi Yopp.

### Year 9

Laura Baker, Jordan Cairns, Huseyin Erler, Anthony Fidel, Michael Fitzpatrick, Jackson Gardner, Isaac Lim, Govind Mallath, Bailey Manera, Skye Noake, Ethan Plews, Shewatha Prakash, Ravini Ravikumar, Emma Shennan, Kaitlen Smith, Isabel So, Benjamin Tatlock, Amos Taylor, Ashleigh Thornton, Michelle Wen.

### Year 10

Junsung Choe, Blake Daniel, Dylan Duffett, Riley Franklin, Joonho Ha, James Harms, Amie Harry, Riley Jarnet, Domenic Jurisic, Luis Martinez, Madeleine Piggott, Richard Rothero, Monica Scandelin, Jayden Sherry, Mikayla Stein, Jarrad Van der Meulen, Dorothy Villanueva, Linae Williams.

### Year 11

Kaustubh Alulkar, Ethan Baker, Chelsea Barnett, Kayla Becroft, Diana Ebirim, Michael Gerrish, Rhys Graham, Liam Hayward, Allan Hope, Alexander Hundal, Chloe Janes, Corey Kells, Taylor Laws, Neil Mani, Monique Mitchell, Aaron Mosley, Damon Myburgh-Sisam, Mikaela O'Grady, Tiana Otovic, Dylan Roff, Dylan Sicut, Josiah Taylor, Brandon

### Year 10 All My Own Work

During week 2 and 3 this term, all Year 10 students were involved in completing the HSC: All My Own Work program. This is a mandatory NESA program designed to help students follow the principles and practices of good scholarship. This includes understanding, valuing and using ethical practices when locating and using information as part of their HSC studies.

Students who have completed the program will also know about penalties for cheating and how to avoid malpractice when preparing their work for assessment.

To be eligible for the HSC, students must complete HSC: All My Own Work (or its equivalent) before they submit any work for Preliminary (Year 11) or HSC (Year 12) courses, unless they are only entered for Year 11 and Year 12 Life Skills courses.

Any student unable to complete the course in week 2 or 3, must see Mrs Langmack asap to organise completion of the program.

### Calendar dates

Presentation night	Week 9 Wednesday 12th December
Last day term 4	Week 10 Wednesday 19th December

Mrs Lesley Langmack  
HT Administration

### SCIENCE REPORT

"The Science of today is the technology of tomorrow".  
Edward Teller.

### What are we studying in Term 4?

Year 7	Classification: Interaction between Organisms
Year 8	Energy: Let's Rock
Year 9	Electrons at Work: Ecology
Year 10	Invisible Waves: Universe

### Assessment dates for Term 4

#### Junior school

Year 7	Week 4 Examination (20%)
Year 8	Week 5 Examination (20%)
Year 9	Week 5 Examination (30%)
Year 10	Week 5 Examination (20%)

### Senior school

Subject	Year 12 (2019)
Biology	Data analysis (15%) Week 9
Chemistry	Practical reports (25%) Week 10
Physics	Practical investigation (25%) Week 5
Investigating science	Evaluating an investigation (20%) Week 10

### Practicum placements

Late last term we were joined by two Western Sydney University students undergoing their practicum placement. These pre-service teachers are being mentored by Mrs Bale and Mrs Bachtis. We are proud to have them at our school until week 4 this term.

Mr Singh and Mr Izquierdo from Western Sydney University

### Validation of Assessment 4 Learning and Individual Development (VALID) - Year 8

Our Year 8 students will be sitting for this interactive, multi-media, on-line assessment during Week 3 and 4. This diagnostic test contains tasks framed on Stage 4 outcomes and essential content from the NSW Science 7 to 10 syllabus. Students have received information regarding this assessment; this information should have been passed on to parents or caregivers.

It is essential that students bring their devices and their own headphones for this task.

Date	Class	Teacher	Period	Room
1 Nov	8W	Bale	3	Lab 1
5 Nov	8B	Cisneros	1	Lab 3
5 Nov	8C	Sayers	2	Lab 3
5 Nov	8S	Cisneros	4	Lab 2
5 Nov	8F	Ghazanfar	4	Lab 3

6 Nov	8R	Mendoza	1	Lab 5
6 Nov	8D	Mendoza	2	Lab 5
6 Nov	8G	Sayers	2	Lab 1

### Congratulations

Victor Chang Cardiac Institute Research Institute  
Award Recipient - Raphael Pinawin.

Encouraging achievement in Science

- Fostering innovation
- Rewarding excellence
- Building a better society

Raphael has excelled in Investigating Science, Chemistry and Biology this year.

### In class

*Mrs Van Hoomans Year 7 class modelling phases of the moon with oreos*

*Mr Sayers Year 7 class conducting experiments in class*

### Congratulations Mrs Rowe

On 19th September Mrs Rowe and her husband welcomed their baby girl Maisie into the world. The family are doing well.

### HSC Extension Science

This term Year 11 students will begin the Year 12 HSC course in all their subjects. In Science we will have our first cohort completing the HSC with the new Syllabus. Among them are three students undertaking the first extension course in Science, Science Extension. The Science Extension course focuses on using authentic research skills to produce a research report, just like real scientists do. Students will apply these scientific research skills to find solutions to today's problems. We are really excited to see what the students produce.

### Winner Bring Your Own Device 100% of the time

The Science Faculty runs an initiative which rewards students for bringing their devices to science fully charged every lesson and consistently using them in a positive manner. Each term students who have met these criteria are put in to a lucky draw to win a JB Hi-Fi gift voucher. Term 3 winner

was Isabel So of Year 9. Congratulations. Students are encouraged to bring their devices for the opportunity to win the voucher in Term 4.

### Well wishes for Year 12 Science classes

We wish all our Year 12 students the very best for their life after the HSC. We thank you for all the wonderful memories.

Ms Kristine Bachtis  
Head Teacher Science Faculty

### PDHPE REPORT Program for Term 4

Students will be completing the following units of work in Term 4.

Year	Theory unit	Practical unit
7 PDHPE	Managing risk	Team games 2 Racquet sport
8 PDHPE	Fit to live	Fitness fun Team games 2
9 PDHPE	Lifestyle	Invasion games Outdoor recreation and leisure
10 PDHPE	Rights..what rights Drive and passenger program	Recreation sport

9 PASS	Participating with safety	Ultimate frisbee Golf
10 PASS	Global sport	European handball Indoor cricket
11 SLR (Y12 2018)	Fitness	Fitness assessment
11 PDHPE (Y12 2018)	Factors affecting performance	Performance laboratories

### Assessment Tasks

All students are reminded that there are assessment tasks that are scheduled for this term. The PDHPE Faculty in line with the school's assessment policy will:

- Give at least 2 weeks notice for all tasks to students

Students who require a copy of previous and current tasks can access copies from PDHPE staff.

### Year 9 PASS excursion

An excursion is currently being organised to participate in a Learn to Surf Day. Students are encouraged to speak to their PASS teachers to get information about the excursion.

### Year 10 PASS excursion

An excursion is currently being organised to participate in Indoor Climbing and Aqua Golf. Students are encouraged to speak to their PASS teachers to get information about the excursion.

Mr Preggy Naicker  
Head Teacher PDHPE Faculty

### LIBRARY REPORT

It has been an exciting time for students and staff in the library this year.

At the Children's Book Council of Australia NSW branch on 17th August Erin Galang and Sukesh Patro reviewed a Young Adult book each. Our School won the quiz about picture books and we had an individual winner in Gabrielle Woodger. Students were required to analyse the short listed picture books for 2018. "Find your treasure" was the theme. All participating students received a book each and for the school prize, we received three Dianne Wolfer books for our library. Congratulations to all who attended.

The annual STEPS initiative book forum occurred on 22th August. Our speakers Emily Hardy and Jemima Taylor represented us. Our team assisted with the trailer and they were; Jessica Kerr, Bren Babu, Scarlett Bishop and Hurairrah Masood. All students had to analyse and appreciate the short listed picture books and they have spent two terms preparing for this event.

This year in Premiers Reading Challenge the first twenty students who completed this challenge were presented with book prizes in assembly. Congratulations to all students who completed this challenge. It is our 15th year in this challenge.

DVDs of an educational nature are now available to be borrowed by students.

Ms Belinda Doyle  
Teacher Librarian

### TEACHING AND LEARNING REPORT

What a whirlwind Term 3 was for the Teaching and Learning faculty this year! 2018 is almost coming to an end while 2019 is just about around the corner.

At the moment we are busy getting ready for next year's Year 7. The Year seven orientation day will be on 4th December, and further additional transition days and options will be held around that time, also.

Meanwhile, we are farewelling out current Year 12 cohort. To all of those students who we have worked with this year, as well as over the last six years, at EPHS, we wish you the best of luck with your HSC exams and for what lies ahead.

*Farewell morning tea for some of our Year 12 students*

This term we welcome a new teacher to our staff room - Mrs El-Chami - who will be working mainly with Year 7, 8 and 9 on literacy. Mrs El-Chami has been working in Learning and Support for many years and has lots of experience in English and literacy. Welcome to the team!

At the end of last term, the latest Naplan results were released and went out to students. We have already started rendering assistance to students of concern. Mrs Murphy and Mrs Nix will be continuing Maths support in the lead up to Naplan 2019. As well as this, we conducted the PAT test. Students across the whole school were assessed. This data has also helped inform which students are will receive support with their learning in the future.

On 5th November, a new window will be opening up for our minimum standards testing. All students involved with this will be notified and assistance will be provided prior to the test.

English as an Additional Language (EAL/D) students will continue to work with Mr Giaquinto this term, as will our Aboriginal and Torres Strait Islander students.

Parents/guardians requiring further information about any of these issues, or about anything else, can contact our faculty via the office.

We wish everyone in the EPHS community a safe and prosperous Christmas.

Mrs Alison Billiards  
Head Teacher Teaching and Learning

## YEAR 7 REPORT

Welcome back to Term 4! I cannot believe how fast the year has flown by and Year 7 will commence their last term as Year 7 students and their first full year in High School. At the end of Term 3 we farewelled Mrs Tucker as she gave birth to her beautiful little girl. We now welcome Ms Lawson as the new Year 7 Assistant Year Advisor, she will be now looking after students awards and assisting Miss Tulloch with students wellbeing. You can find Ms Lawson in the TAS 1 staffroom.

## Sporting achievements

Congratulations to the following Year 7 students who are in Erskine Park High School under 15 Netball team, the girls have won two tough knockout games to progress to the gala day on the 16th November.

Good luck girls!

Congratulations to Tamia Wood-Fonua on her recent successes in representing Australia in Gymnastics.

Tamia travelled to Portugal on the 1st October to compete in the Loule cup for tumbling and double mini trampoline she competed representing KSTP/ Australia and is part of

the gymnastics NSW high performance tumbling team

Tamia competed in the under 13 age group winning a gold medal in tumbling and also a gold double mini trampoline making her the under 13 Loule cup champion in both of her events.

She also picked up a bronze medal in the DMT team.

Tamia has been selected on to the Australian team and will travel to Russia on the 1st of November and compete at the world age championships where she hopes to be just as successful

Thank you to Ms Giaquinto and Ms Styliano who came out to watch Tamia at her showcase which took place on 20th October.

We wish Tamia all the very best as she travels to Russia next month.

Miss Kristen Tulloch and Ms Rebecca Lawson  
Year 7 Year Adviser and Assistant Year Adviser

## YEAR 8 REPORT

Welcome back to Term 4! We hope you have all had enjoyable holidays and are ready for the last term of the year. Term 4 will be another great term for Year 8 and we encourage all students to continue to work to the best of their abilities. Over the next few weeks, Year 8 students will be having exams across most of their subjects. We encourage all students to adopt a regular study routine and to speak to their teachers for any additional assistance. At the very end of term, students will receive information about their Year 9 electives.

### Rewards BBQ

At the end of last term, a BBQ was held for those students who consistently follow school rules and always demonstrate a positive attitude to their learning. These students also received an award commending them for their outstanding conduct this year. Miss Humphrey and I were proud to see so many students attending the BBQ and receiving the awards. We hope to see this number increase for future Reward BBQ days.

### Real Girls

This year, 20 selected Year 8 girls are working with Fusion Youth in a program called Real Girls. The program runs for 4 weeks and involves individual and team based activities. The program provides the girls with opportunities to learn about value and purpose, as well as healthy lifestyles and relationship matters. The program aims to develop the participants' self-awareness, confidence and resilience.

As this is the final report for Year 8 for 2018, it is best to hear from the students themselves. Thomas Ancilleri from 8R and Amy Augustinsen and Tharun Boominathan from 8D shared their favourite things from Year 8 and what they are looking forward to in Year 9.

### Thomas Ancilleri (8R):

This year, I've really enjoyed doing experiments in Science and studying Native American history in HSIE. I am looking forward to doing Woodwork next year as I like making things and doing hands on subjects. I'm also looking forward to Commerce to learn skills for managing money.

### Amy Augustinsen (8D):

My favourite thing in Year 8 has been doing Visual Arts and Food Technology, because it was fun to do practical subjects. I was really proud of my drawing task in Art this year. I am looking forward to doing Ceramics and Visual Arts for my electives, if I get them.

### Tharun Boominathan (8D):

My favourite subject has been HSIE due to the skills we have learnt and the journey on the way. Next year, I'm looking forward to becoming smarter in all my subjects and be more academic and have better time management. Next year, I am hoping to start

Commerce and Graphics Technology for my electives as I look forward to designing something on my own.

Finally, I would like to thank the parents and families of our wonderful Year 8 students for your ongoing support. We wish everyone a wonderful holiday period and look forward to seeing you in 2019.

Miss Emily Riordan and Miss Kaitlin Humphrey  
Year Adviser and Assistant Year Adviser

### PREMIERS ANZAC MEMORIAL SCHOLARSHIP

Year 9 and 10 students from EPHS who will be studying history next year are eligible to apply for the Premiers ANZAC Memorial Scholarship. Students can now go to a Google homepage that has been set up to assist in preparing your piece of work (ie essay, artwork etc). The passcode is **dsqp90o**. For more information on the Premiers ANZAC Memorial Scholarship you can visit the [Veterans Affairs website](#).

The closing date for students is Friday 7th December.

### YEAR 12 GRADUATION

The end of term saw a memorable graduation for our current Year 12 students. Many parents and family members, teachers, and past staff members, including Ms Plumridge celebrated the end of their high school education. A big thank you to our captains Bridget Grima and Joshua Parmenter for their speeches and organisation of the tribute videos. We wish all our students the best in completing their final examinations and we wish them well for the future.
